# ANANYATA

”

His vision is to provide various platforms for the youth to learn and imbibe the quality of service and leadership through which, they would be empowered to give back to society, whatsoever they owe.

**Sri. G. C. SURANA**

1941 – 2008

## **Our Vision**

To be the educational institution of preferred choice by ushering in convergence of knowledge, skills and values through holistic educations.

## **Our Mission**

To Mould character and careers.

## *The College Song*

Have faith in yourself  
Create your own path  
Realize the strength of mind

You're not far away  
From the things you want to reach,  
'Cause they say where there's a will there's a way

And the way leads to the journey of life

We're suranaites  
We re here to make a change  
Let's make this world a better place to live in

We'll forever face the sun,  
Uphold the justice and humanity  
We'll stand as one  
Powerful is the light of unity

## Chairman's Message

Dear Readers,

Surana College, Peenya Campus, consistently shines as a center for academic excellence and all-round development. It's truly wonderful to see the campus steadily building its own unique reputation among the Surana Educational Institutions, a clear sign of our shared dedication and passion.

The academic year 2024-25 stands out as one of the most dynamic and engaging in the college's history. It was a year filled with a rich blend of academic pursuits and an exciting array of co-curricular activities, all contributing to a vibrant learning environment. From challenging academic endeavors that expanded knowledge to thrilling cultural and sporting events that fostered teamwork and talent, our students embraced every opportunity with remarkable enthusiasm.

This yearbook, "Ananyata – 2024-25," is a treasured record of these memorable moments. Within its pages, you'll discover a beautiful collection of student contributions, highlighting the diverse talents, insightful perspectives, and creative spirit that flourish within the college. It's a true reflection of the incredible journey we've all experienced together.

My sincere appreciation goes out to the dedicated editorial team for their tireless work in bringing this vision to life. Heartfelt thanks also to the supportive faculty and, most importantly, to our brilliant students, whose ongoing contributions and unwavering enthusiasm ensure that "Ananyata" remains a cherished tradition year after year.

**Dr. Dilip Surana**

”

## *Managing Trustee's Message*

Dear Readers,

It is with immense pride and pleasure that I address you through this edition of our College magazine. Reflecting on the achievements of the past year fills me with profound gratitude for the unwavering dedication and contributions of every member of our institution.

As Managing Trustee, I am deeply honoured to uphold an environment that fosters not only academic brilliance but also holistic development, empathy, and social responsibility. I am confident that the values and experiences cultivated here will serve as guiding principles for our students long after they embark on their respective paths.

I extend my heartfelt congratulations to all who have contributed to the continued success of this institution. Together, let us strive for even greater accomplishments as we illuminate the way forward as a beacon of knowledge, opportunity, and community.

**Dr. Archana Surana**

”

## Principal's Message

Dear Readers,

As we embark on another exciting chapter with the 4th edition of *Ananyata*, I am filled with immense pride and gratitude for the vibrant community we have built together here at our college. This edition arrives as a beacon of creativity, passion, and resilience—qualities that continue to define our journey through academia and beyond.

In this fast-paced world, it is easy to get lost in the noise, but *Ananyata* stands as a testament to the power of reflection, introspection, and the pursuit of excellence. Each page you turn offers a window into the diverse talents, innovative ideas, and unique perspectives that make our college such a special place. Through the articles, stories, and insights shared in this edition, I hope you find inspiration to not only strive for academic success but to embrace the challenges that shape you into well-rounded individuals.

Let this magazine be more than just a publication. Let it serve as a reminder that every challenge we face, every lesson we learn, and every achievement we celebrate is a part of the larger story of our shared journey. Our community thrives on collaboration, support, and mutual growth, and *Ananyata* is a reflection of the power we hold when we come together with purpose and passion.

I urge each of you to dive into this edition with an open mind and an eager heart. Let the stories shared within these pages inspire you to push the boundaries of your own potential and to support your peers as they do the same. The coming year holds endless opportunities, and with the wisdom and vision we share here, I have no doubt that we will continue to grow, innovate, and succeed together.

*Ananyata*—a celebration of our journey, our community, and our limitless potential.

**Dr. Ramya R**

## Editorial Team's Note

Dear Readers,

As we turn the pages of this edition of our College magazine, we are reminded of the vibrant tapestry of experiences, ideas, and creativity that define our campus life. This issue is a celebration of the voices that make our college community unique voices that inspire, challenge, and unite us.

From thought-provoking articles to artistic expressions, this magazine is a testament to the talent and passion of our students and faculty members. Through the power of words and visuals, we aim to capture the essence of our journey—both the triumphs and the challenges—and to inspire meaningful conversations that transcend boundaries.

We extend our heartfelt gratitude to everyone who contributed to this magazine—the writers, photographers, and editors—who poured their energy and creativity into bringing this vision to life. A special thanks to our readers, whose support and enthusiasm fuel our efforts to keep this platform alive and thriving.

As you delve into these pages, we hope you find inspiration, joy, and a sense of connection. Let this magazine be a reminder that every voice matters, and together, we can create something truly extraordinary.

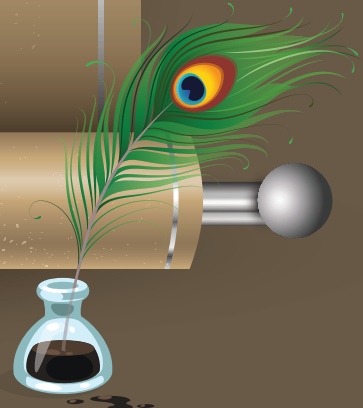

Here's to the power of storytelling and the spirit of our college community!

*Warm regards,*

**Mr. Ranbir Wahengbam**

# DEPARTMENT OF COMMERCE

## BUSINESS PLAN COMPETITION (25TH MARCH 2025)

The Department of Commerce and Management successfully organized this competition centred on the theme "Vikshith Bharath 2047," encouraging students to present innovative and impactful startup ideas for a developed India. Participants showcased visionary business plans across sectors like technology, healthcare, and sustainability, evaluated by industry experts for feasibility, innovation, and societal impact. The event concluded with a prize ceremony, offering recognition, mentorship, and inspiration for students to contribute meaningfully to India's future growth.

## MARKATHON 1.0, HELD ON 17TH OCTOBER 2024

organized by the EUPHORIC Club and Commerce and Management Department, provided a vibrant platform for students to showcase innovative marketing strategies across five unique product ideas, with expert insights from guest speaker Prashanth Pandit of Gillette. The event concluded with the "Marketing Excellence Award" being presented to Hetvi K. Ajmera and Shreyas R. for their standout presentation of "Health Dee," marking the competition a successful blend of creativity, learning, and industry engagement.

### A GUEST TALK ON COMMERCE CORPORATE ETIQUETTE 3RD OCTOBER 2024:

The event was organized focusing on corporate etiquette and featuring Ms. Suman as the speaker, aimed at equipping B.Com and BBA students with essential professional skills for workplace readiness. Through interactive sessions on communication, dress code, behavior, and networking, students gained practical insights into corporate culture, boosting their confidence and interpersonal effectiveness in professional settings.

**THE BANGALORE UNIVERSITY ORIENTATION PROGRAMME** for the 2nd semester B.Com and BBA SEP syllabus was held on 13th February 2025, organized by the Department of Commerce & Management at Surana College, Peenya. It aimed to align the curriculum with industry needs, enhance faculty understanding, and prepare students for real-world business challenges. The event featured expert resource persons, insightful speeches, and concluded with a valedictory session and national anthem, marking a successful academic initiative.

**SURANA COLLEGE**  
PEENYA CAMPUS

# DEPARTMENT OF MANAGEMENT

## A GUEST TALK ON “ENTREPRENEURSHIP VS. EMPLOYMENT”

was organised on 16 November 2024 in Lecture Hall 02 for 80 BBA and B.Com students.

Speaker Sagarika S. explained the benefits and drawbacks of entrepreneurship - independence, flexibility, high reward potential versus financial risk and long hours - and traditional employment - steady income, benefits, structured growth versus limited control and flexibility - using success stories like Elon Musk and Indra Nooyi for illustration.

## GUEST TALK - INCOME TAX & E-FILING (MAY 24, 2025)

The Department of Commerce & Management organized a guest talk on Income Tax returns and e-filing procedures. CA Mr. Sunil N addressed final year BCom students in LH-02, covering digital transformation in taxation, e-filing processes, and compliance requirements. The interactive session enhanced students' understanding of financial responsibilities and digital tax governance.

# DEPARTMENT OF COMPUTER APPLICATIONS

## TECH ENIAC 2024-2025

The Department of Computer Applications in association with Techie Tribe organized the inter-college IT fest "Tech Eniac 2024-2025" on March 27th, 2025 at Surana College. The vibrant event attracted over 300 attendees from 20+ colleges across the city, with 120+ active participants competing in seven exciting events.

The fest featured diverse competitions including Reels Rush, gaming tournaments (BGMI and Free Fire), IT Quiz, Squid Game, Des Wiz design competition, Crackathon coding challenge, and Tech Hunt. The inauguration was graced by distinguished guests Dr. Geetha Kiran A from Malnad College of Engineering and Ms. Indhu Radhakrishnan from PES University. The valedictory ceremony featured popular comedian and Big Boss contestant Mr. Vinod Gobbaragala.

Winners emerged from various colleges including BMS CCM, Dayanand Sagar, and Vasavi College. The event successfully promoted technical knowledge, creativity, and innovation among students, achieving its objective of providing a platform for showcasing talent and fostering competitive spirit in the technology domain.

## IT WEEK

A 4-day IT event (April 8-11, 2025) organized by IT Club and Techie Tribe for 120 BCA students at LH 1. Featured alumni talks on animation and Citrix Cloud, interactive activities like crossword puzzles and anagrams, plus an AI-themed collage competition. Enhanced students' technical knowledge, industry awareness, and problem-solving skills.

**A TECHNICAL TALK** on "Latest Technologies" was conducted on September 12, 2024, in the auditorium for 147 BCA students by the Department of Computer Applications. Chief guest Mr. Harish from Mindset IT Solutions covered seven key technology domains: Full Stack Development, AI/Machine Learning, Data Science, Data Mining, Data Analytics, Cloud Computing, and Network Security. He emphasized their industry relevance and career opportunities for BCA students. The session included a Q&A segment and concluded with networking opportunities. Mr. Harish, with extensive experience training 20,000+ students and developing 3,500+ projects, provided valuable insights into current IT trends and job market demands.

**KARNATAKA EXPLORATION EDUCATIONAL EXCURSION** (November 4-7, 2024): The Department of Computer Applications organized a cultural and natural heritage trip for 43 final-year BCA students and 3 faculty members. The 4-day journey covered Gokarna, Chikmagalur, and Udupi, featuring Jog Falls, temples, beaches, Mulayanagiri Hills, waterfalls, and adventure activities like zip-lining.

### **A GUEST TALK ON APPLICATIONS OF INFORMATION TECHNOLOGY IN INVENTORY MANAGEMENT**

(September 19, 2024): The Department organized a guest lecture by Mr. Abhishek A R (Assistant Manager, TE Connectivity) in the auditorium for 212 BCA students. The session covered IT tools, ERP systems, RFID technology, case studies, and emerging trends in inventory management.

**NATIONAL SCIENCE DAY 2025** (February 28, 2025): The Department of Physics and Mathematics, in collaboration with IIC and Jindal College for Women, organized a comprehensive celebration with 120 B.Sc. students participating. The event featured a keynote lecture by Ms. Srividya D N, Senior Scientist at Gangagen Biotechnologies, on "Igniting India's Future: Youth Empowerment for Global Leadership in Science."

The day-long program included diverse competitions: Quiz Competition, Sudoku Challenge, Storytelling Session, Best Out of Waste activity, and Pick & Speak contest held across multiple venues including the auditorium, LH-10, Physics lab, Museum area, and EVS lab. Winners represented both Surana College Peenya and Jindal College for Women across all five competitive events.

The celebration successfully promoted scientific curiosity, environmental consciousness, and innovation among students. Participants gained insights into career opportunities in science, ancient Indian scientists, and the importance of research in national development. The event concluded with a valedictory ceremony and prize distribution, inspiring students to pursue STEM careers and contribute to India's scientific advancement.

**VISIT TO THE INDIAN INSTITUTE OF SCIENCES (MARCH 1, 2025):** The Department of Mathematics organized an educational visit for 25 B.Sc. students to IISc Bangalore. Students explored advanced research facilities across multiple departments including Physical Sciences, Chemical Sciences, Mathematical Sciences, and Engineering. They visited cutting-edge laboratories, the J.R.D. Tata Memorial Library, and learned about incubation centers.

### WORKSHOP ON MUSHROOM CULTIVATION AND HORTICULTURAL TECHNIQUES:

The Department of Sciences organized an enlightening Workshop on "Mushroom Cultivation and Horticultural Techniques" on April 26, 2025, at the Botany Laboratory. Dr. Abhiram Suresh, Assistant Professor of Botany, conducted the session for 23 BSc CBE and PCM students from 9:30 AM to 1:00 PM. The workshop successfully bridged theoretical knowledge with practical applications, empowering students

with sustainable farming techniques and entrepreneurial skills. Under the guidance of Dr. Archana Surana, Dr. Ramya R, and Mrs. Meenaakshi Sreenivasan, this initiative reinforced Surana College's commitment to experiential learning and preparing students for future agribusiness opportunities.

**INDUSTRIAL VISIT TO KOLAR-CHIKKABALLAPURA DISTRICT CO-OPERATIVE MILK PRODUCERS UNION LTD. (OCTOBER 10, 2024):** This Industrial visit was organised by Chemistry Department. Thirty-four students gained comprehensive insights into modern dairy processing, from raw milk collection to packaging and distribution, observing advanced pasteurization techniques, quality control measures, and sustainable practices that support local farmers.

**FIELD VISIT TO TRANS DISCIPLINARY UNIVERSITY (TDU) (14/10/2024):**

The field visit was organised by the Botany Department. Thirty-six students explored herbarium collection techniques, plant taxonomy, and medicinal plant repositories. Expert sessions by Mr. Patturaj and Arun enhanced understanding of specimen preservation, classification methods, and traditional medicine systems, successfully bridging theoretical knowledge with practical applications.

### SCIENCE BEYOND CLASSROOM: IMPACTING LIVES (AUGUST 24, 2024):

The Department of Sciences organized this event at St. Alphon's Public School, Bengaluru on August 24, 2024. Students and faculty from Physics, Chemistry, Botany, and Environmental Science departments conducted interactive experiments and demonstrations, successfully inspiring young minds and fostering scientific curiosity through hands-on learning experiences.

### SCI- $\pi$ SCIENCE FEST (JUNE 6-7, 2024):

The two-day science fest, was held at the college campus. Organized by the Department of Sciences-Physics, the event attracted 302 enthusiastic participants from PU and UG programs. The fest featured ten exciting competitions including quiz, debate, treasure hunt, photography, and sustainability-themed events, celebrating scientific creativity and innovation.

# DEPARTMENT OF HINDI

**HINDI DIWAS CELEBRATION (SEPTEMBER 17, 2024):** The Department of Hindi conducted the event featuring six competitions: essay writing, debate, story writing, poetry writing, poetry recitation, and story reading. Over 40 students participated enthusiastically, showcasing their linguistic talents and creativity. Dr. Ramkali and Ms. Tajunnisa M coordinated the event, with student coordinators Hetvi and Shreyas providing organizational support. The celebration successfully promoted Hindi language appreciation and cultural pride among students.

**KAVYA MEIN NIHEET VIBHINN RASON KI ABHIVYAKTI AUR PRABHAV (3RD APRIL 2025):** Dr. Sunil 'Tarun', a renowned stand-up comedian, humor poet, and stage anchor, delivered an engaging lecture on "Expression and Impact of Various Emotions in Poetry." Over 60 students attended this enlightening session. Dr. Tarun used music and stand-up comedy to explain different rasas (emotions) in poetry, making literature appreciation both educational and entertaining for students.

# DEPARTMENT OF KANNADA

**KANNADA NAADU NUDI CHINTANE  
(SEPTEMBER 11, 2024):**

The Department of Kannada organized a one-day guest lecture program titled "Kannada Naadu Nudi Chintane" at the college auditorium. The event aimed to create awareness about Kannada land, language, and thought among students. Dr. Shantaraj from St. Francis BEM College served as the Chief Guest.

**KANNADA RAJYOTSAVA CELEBRATION (NOVEMBER 12, 2024):** The Kannada Department, Student Council, and Cultural Committee jointly organized this patriotic event, honoring Karnataka's rich cultural heritage. Distinguished speaker Ms. Nemichandra, a renowned Kannada literary figure, delivered an inspiring keynote on the importance of Kannada literature. Along with Shri Tukappa and Dr. Venkatesh, she motivated 200 attendees to embrace their linguistic roots and cultural identity.

# DEPARTMENT OF ENGLISH

**A GUEST LECTURE ON PRONUNCIATION FOR PUBLIC SPEAKING (3RD APRIL, 2025):** The Department of English organized the session. Mr. Mukesh Soni, an experienced educator with 18 years of expertise in English pronunciation training, conducted the interactive session. He guided 147 students through practical exercises on articulation, stress patterns, and voice modulation. The engaging program significantly boosted students' confidence in public speaking and communication skills.

**GUEST LECTURE ON "MOTHER OF 1084":** On June 14, 2024, the Department of English organized a guest lecture on Mahasweta Devi's "Mother of 1084". Professor Archana R. from St. Francis de Sales College delivered an insightful session to 66 second-year BCA/BSc

students. She explored themes of motherhood as social resistance, identity, and displacement through engaging discussions. The interactive session enriched students' understanding of the novel's socio-cultural context and its contemporary relevance.

# DEPARTMENT OF HUMANITIES

**GUEST LECTURE ON THE IMPACT OF LPG ON INDIAN ECONOMY (SEPTEMBER 12, 2024):** The Department of Economics, in association with Asterin Humanities Club, organized the event. Dr. Pushpa A.B., HOD and Assistant Professor of Economics from GFGC Srinivasapura, Kolar, delivered an insightful session to students. She comprehensively explored liberalization, privatization, and globalization reforms, highlighting their transformative effects on India's economic landscape and sectoral growth.

## CULTURAL HERITAGE WEEK CELEBRATION GUEST LECTURE

**(NOVEMBER 19, 2024):**

The Department of History in association with Istoria Heritage Club organized a compelling guest lecture as part of Cultural Heritage Week celebrations. Sir C.B. Patil, former Deputy Superintending Archaeologist from ASI Bangalore Circle, addressed 116 students from multiple campuses, emphasizing heritage conservation as both constitutional duty and societal responsibility, inspiring future archaeologists and heritage protectors.

### **MEDIA VISIT TO PRESS CLUB (APRIL 12, 2025):**

Department of Journalism organized a Media Visit to the Press Club at Cubbon Park. Eight BA undergraduates participated in this exposure program, gaining hands-on experience in news production and broadcasting. Students interacted with senior journalists, observed live press briefings, and explored career opportunities in print and electronic media.

### **GUEST LECTURE ON GANDHIAN PRINCIPLES ON POLITICAL CONCEPTS (SEPTEMBER 12, 2024):**

The Department of Political Science, in association with Asterin Humanities Club, organized a guest lecture on "Gandhian Principles on Political Concepts." Mr. Jitendra from Sharadha College addressed 20 students in the IIC Room, exploring Gandhi's political philosophy including Satyagraha, Swaraj, and their contemporary relevance in modern politics.

# AARAMBH 2024

AARAMBH 2024-25, an orientation program for freshers, was successfully conducted on August 11, 2024, at Surana College auditorium in Peenya, featuring social entrepreneur Mr. Balasubramanian Jayam as the Chief Guest who inspired students about goal setting and success. The event included lamp lighting, welcome speeches, introduction of faculty members, presentation of the college's vision and mission, and the Annual Report 2023-24, followed by proctor meetings in respective classrooms. The orientation achieved multiple outcomes including alignment with college vision, inspiration for students, networking opportunities, academic preparation, and exposure to extracurricular activities, with positive feedback from the 400 attendees including first-year students from various programs and their parents.

# NEXUS 2024

The International Conference NEXUS 2024 on Innovation, Management and Technological Excellence was held on August 1st, 2024, bringing together 250 attendees including industry leaders, researchers, and students. The conference featured 82 research paper presentations across five tracks, a panel discussion on "Exploring AI Innovation in New Era of Sustainable Business," and sessions by international speakers from the United States, Taiwan, and the United Kingdom. The event concluded with a valedictory ceremony where best paper awards were presented in three categories-Commerce & Management, Humanities, and Computer Applications—as well as a best poster presentation award.

We proudly salute Adithya for representing our college at the prestigious Republic Day Camp (RDC- PM Rally 2025) in New Delhi.

Your dedication, discipline, and patriotic spirit have brought immense honour to our institution and inspired us all.

With pride and admiration, Surana Educational Institutions (SEI) celebrates your remarkable achievement.

# NSS COMMITTEE

The special Swachhata Abhiyaan was organised by NSS Unit of Surana College on November 16, 2024. The event aimed at promoting the importance of maintaining cleanliness in public spaces by educating villagers and tourists about effective waste management and their role in preserving the environment. Inspire and encourage the local community to actively participate and take responsibility for keeping their surroundings clean and sustainable.

The Special Village Camp was organized by NSS Wing of Surana College from August 25, 2024 to August 31, 2024 at Tavarekere Village of Ramanagar District of Karnataka. The primary objective of this content is to highlight the NSS volunteers' week-long efforts in community service, cultural engagement, and environmental cleanliness during a special village camp in Tavarekere. Through activities like Shramdaan, cultural programs, and community interactions, the volunteers aimed to foster social responsibility, promote environmental awareness, and build a stronger connection with the local community.

## GREEN INITIATIVE COMMITTEE

The Eco-Friendly Dhoop preparation workshop was organised by Green Initiative Committee of Surana College on October 3, 2024. The eco-friendly dhoop-making workshop focused on teaching participants to create natural, biodegradable incense using sustainable materials, fostering an understanding of eco-friendly practices. It aimed to promote environmental awareness, encourage sustainable living, and inspire eco-conscious entrepreneurship by reducing dependence on harmful chemicals and emphasizing the use of renewable, recyclable resources.

## STUDENT COUNCIL

The Student Council in association with the Cultural Committee had organised the Annual Intercollegiate Fest 'ANTARAGNI 2024' on September 21, 2024. It provided a dynamic platform for students from various colleges to showcase their talents in arts, culture, and sports, fostering creativity, competition, and camaraderie.

## GLAMORIZATION OF MENTAL ILLNESS: ARE WE GOING TOO FAR?

*Esha. G (2nd Year BBA)*

Mental illness has a history of harmful stereotypes along with it been misunderstood and stigmatized. But what happens when the reality of mental illness is twisted into an aesthetic? The Internet is a wonderful source of entertainment and information. Yet, it can quickly turn into a dangerous place when discussing mental illness.

In modern entertainment media, there is a growing trend of romanticizing mental disorders and treating these conditions as a glamorous experience. Mental illness has been portrayed as a quirky trait, unlike how it is realistically. Our generation is very open about our emotional struggles, which I really admire, but I also think that the pendulum has been swung too far in some cases.

Most of us have grown up in a world that is dependent on technology and media. We are more prone to forming our thoughts and opinions around what we see online or on other forms of media. Madness and sadness are something we see romanticized in media through representation of characters in movies and music as well. Portrayal of characters with severe psychological problems as having this sort of misunderstood enchantment to them makes the viewer become reeled into the idea of having a mental illness. Characters like Patrick Bateman from American Psycho, how much of these memes which are now even expanding into fancy romanticized edits are making young kids want to adopt the personality traits of the characters to feel different and cool. In addition to cinema, music has created an era of sad girl aesthetic trap where there is a sense of beauty associated with being the main character of a tragic story. Maybe you even posted a selfie, mascara running down your cheeks while listening to Lana Del Rey on repeat in the limelight – no judgment.

The problems that arise due to the romanticization of mental illness are harmful, and it's crucial for those who understand what's at stake to stop the spreading of trends which make these disorders seem appealing. It's high time we stop looking at mental illness in rose-coloured glasses.

## IMPORTANCE OF PERSONAL DEVELOPMENT

*Yashaswini S(3rd Year B.Com)*

Personal development refers to activities that help us improve our skills, talents, capabilities and potentials, facilitating employability. In today's competitive world, being knowledgeable is not enough. Along with knowledge, we must engage in activities that directly impact our personal development. Improving ourselves personally not only affects our physical health but also enhances our mental health. Confidence in every activity we undertake leads to expected outcomes. Personal development helps manage stress and is directly proportional to punctuality in life. It fosters healthier and safer relationships with family, children, co-workers, lovers, and primarily, with ourselves.

Personal development can also increase productivity in the workplace by providing focus and a clear vision. It motivates us to complete tasks and helps avoid procrastination. Personal development encourages discipline and punctuality, aiding in effective time management. Regularly working on personal growth strengthens self-control and makes building new habits easier.

A significant aspect of personal development is self-awareness. Through self-reflection, individuals can gain a deeper understanding of their strengths, weaknesses, values, and beliefs. This self-awareness serves as a foundation for personal growth, enabling individuals to identify areas for improvement and set meaningful goals. Moreover, personal development fosters continuous learning and skill acquisition. By seeking new knowledge and experiences, individuals can expand their capabilities, stay relevant in an evolving world, and boost personal growth, which opens up new opportunities for career advancement and personal fulfillment.

Ultimately, personal development empowers individuals to take control of their lives, set meaningful goals, and work towards fulfilling their aspirations. It is a continuous journey of self-discovery and improvement that leads to a more fulfilling life. Personal growth teaches resilience, allowing you to bounce back stronger from setbacks. Embracing personal development is our ticket to unlocking our full potential and living our best life.

## THE HEALING HARMONIES: HOW SOUND FREQUENCIES SHAPE OUR WELLBEING

*Durga Seervi ( 2nd Year BBA )*

In an age where alternative healing practices are gaining scientific attention, sound frequency therapy emerges as a fascinating bridge between ancient wisdom and modern wellness. This vibrational medicine, rooted in the fundamental principle that everything in our universe—including our bodies—vibrates at specific frequencies, is striking a powerful chord in the health and wellness community.

At its core, sound frequency therapy operates on the premise that when our body's natural vibrations fall out of tune, like an instrument needing adjustment, various physical and emotional imbalances can occur. From the deep, grounding 174 Hz that melts away stress to the consciousness-expanding 963 Hz, different frequencies serve as invisible keys unlocking specific therapeutic responses in our body and mind.

The therapy's applications range from traditional instruments like singing bowls and gongs to more contemporary approaches using precisely calibrated sound frequencies. Perhaps most intriguing is how our brains respond to different wavelengths—gamma waves (40 Hz) enhance learning and memory, while theta waves (6-10 Hz) guide us into deep meditative states.

What makes this therapy particularly remarkable is its ability to influence our emotions at a subconscious level. Just as we can instantly recognize the emotional texture of a song without understanding its lyrics, specific frequencies can bypass our conscious mind to directly affect our nervous system. This explains why a mother's lullaby soothes a baby regardless of language, and why the sound of ocean waves consistently induces calm across cultures.

While the scientific community calls for more rigorous validation, growing evidence suggests sound therapy's effectiveness in reducing stress, managing pain, and promoting emotional well-being. As we continue to understand the intricate relationship between sound and healing, this ancient practice may well become a powerful tool in modern therapeutic approaches, offering a harmonious blend of science and sensory healing.

## पहचान

रख पहचान सही गलत की ऐ इंसान,  
नहीं अब भाईचारा, नहीं सही सम्मान।

मिथ्या कहा है ये सारा संसार,  
महापुरुषों ने दिया यही उपहार।  
झूठी माया में मत फँस, ऐ इंसान,  
कुछ ही पलों की है तेरी पहचान।  
धन, नाम से न बनती है शान,  
ना कमाई मोहब्बत, ना पाया प्यार।  
किस काम की शोहरत, जो दे न आधार।  
जो जरूरतमंद को न दे सके हाथ,  
नश्वर कागज का क्या है साथ।

बोल मीठी बोली, तोड़ अमीर-गरीब की दीवार,  
कर सबका सम्मान, यही है सबसे बड़ा उपहार।  
धर्म के नाम पर जो लड़ा रहा देश,  
तू ऐसा न कर, मिलकर खत्म कर क्लेश।  
"धन-दौलत रह जाएगी यहीं तमाम,  
साथ चलेगा बस कर्मों का पैगाम।"

Ms. Tajunnisa M  
Co-Ordinator

## “THE MOST COMMON WAY PEOPLE GIVE UP THEIR POWER IS BY THINKING THEY DON’T HAVE ANY”

*Prakruthi M.J. (3rd Year B.Com)*

Positive affirmations are like the universal language for the mind. They are simple powerful statements that anyone can use to foster a positive mindset and improve their life. By consistently affirming positive beliefs we can replace self-doubt with confidence, fear with courage and defeat with victory. Life can get busy and sometimes we think bad thoughts that stop us from doing well. But saying good things about ourselves can help us feel better and do better.

Instead of telling "I can't do this" you say "I can do this, and I will". These short & sweet phrases that you tell yourself will help boost your mood and confidence. The key is to believe in the words you are saying. When you repeat them, you are not just talking, you are planting seeds of confidence in your mind. Overtime these seeds grow into garden of self-assurance and optimism. It might feel silly at first but trust the process and stick to it. With time they become a part of your daily routine and before you know it, you are not just saying them, you are living them.

Is there science behind it? Yes... Is it magic? No... Research shows that positive thinking can reconnect your brain, changing the way you feel about things. Positive talks can improve self-esteem, help in stress management and wellbeing. It can also reduce symptoms of depression, anxiety & personality disorders.

To wrap it up. Positive Affirmations are like daily dose of good vibes that help us stay positive and happy. It's like giving ourselves a little boost to make our day brighter and happier. So, let's keep saying good things and see how great we can be!!!

# “हिंदी में रोजगार के अवसर”

डा.रामकली शर्मा

## भाषा-

भाषा वह माध्यम या साधन है जिसके द्वारा हम बोलकर या लिखकर अपने विचारों का आदान-प्रदान करते हैं | आज हिंदी भाषा को राज्य भाषा, राष्ट्रभाषा, संपर्क भाषा तथा भारतवर्ष में मातृभाषा होने का गौरव प्राप्त है | इस दृष्टि से हिंदी भाषा की भारत में स्थिति अत्यंत गरिमामय है |

## हिंदी भाषा-

हिंदी दिल की भाषा है, संवेदना की भाषा है, जीने की भाषा है, संस्कृति की भाषा है, समाज को जोड़ने की भाषा है, मातृभाषा है। जिस प्रकार एक घर में मां के बिना घर परिवार और उस घर के बच्चे अधूरे हैं, उसी प्रकार हिंदी भाषा के बिना भारत और भारतीयता अधूरी है | इस अधूरेपन को दूर करने के लिए हमें हिंदी में जीना होगा और वह भी दिखावे के लिए नहीं बल्कि उसे दिल से जोड़ना होगा।

आज किसी भाषा या बोली के जीवित रहने के लिए केवल मात्र साहित्य नहीं बल्कि उसे व्यवसाय, विज्ञान, तकनीक और रोजगार की भाषा बनाने की भी जरूरत होगी या बनाने से भी जुड़ना होगा | जो भाषा सामान्य मनुष्य को रोजगार नहीं दे पाती वह धीरे-धीरे एक संकुचित दायरे में सिमटती चली जाती है। अंग्रेजी के अंतरराष्ट्रीय भाषा होने का सबसे बड़ा कारण व्यवसाय है

सभी सरकारी अधिकारियों को दफ्तरों में अंग्रेजी के साथ-साथ हिंदी का उपयोग अनिवार्य बनाया गया है | आदेश, नियम, अधिसूचना, प्रतिवेदन, प्रेस विज्ञप्ति, निविदा, अनुबंध व विभिन्न प्रारूपण को हिंदी में बनाना और जारी करना अनिवार्य है | इसका सीधा सा अर्थ है कि केंद्र सरकार व राज्य सरकारों के सभी विभागों, उपविभागों में हिंदी अधिकारी अनुवादक, प्रबंधक, उप प्रबंधक हिंदी ज्ञाता के रूप में रखे जा रहे हैं | सभी राष्ट्रीयकृत बैंकों में हिंदी अधिकारी के पद बनाए गए हैं। आज हिंदी भाषा के बढ़ते चलन और वैश्विक रूप में रोजगार की अनेक संभावनाओं को उजागर किया है। इसकी विविध क्षेत्रों में स्वीकृति और प्रयोजनियता बढ़ने से नई दृष्टि से हिंदी को देखा जा रहा है।

“हिंदी में है दम और  
हिंदी के दम पर है हम” | दुनिया में परचम लहरा सकते हैं।

आज हिंदी के विद्यार्थियों को निराश होने की आवश्यकता नहीं है। हिंदी भाषा में रोजगार की अपार संभावनाएं हैं | वर्तमान समय में हिंदी को लेकर जो पुरानी मानसिकता थी, वह टूट गई है, हिंदी भाषा में पर्याप्त क्षमता है जो लोगों को रोजगार तक ले जा सकती है | आज हिंदी की बढ़ती लोकप्रियता को देखकर अंग्रेजी के लोग भी हिंदी मीडिया की ओर आकर्षित हो रहे हैं | निश्चित तौर पर हिंदी के विद्यार्थियों के लिए भी चुनौती कम नहीं हैV ,

## राष्ट्रीय और अंतर्राष्ट्रीय खेलों में रोजगार-

पिछले कुछ वर्षों से देश में एशियाई कॉमनवेल्थ, ओलंपिक खेलों के दौरान हर चैनल पर समाचार के अलावा ढेर सा रा खेल संबंधी चैनल लगातार सीधा प्रसारण पुणे प्रसारण परिचर्चा साक्षात्कार के कार्यक्रम प्रसारित होते हैं। इसके अतिरिक्त क्रिकेट जैसा सदाबहार खेल सालभर विभिन्न रूपों में सबको व्यस्त रखता है | कभी टेस्ट मैच, कभी आईपीएल, कभी वनडे, कभी 20-20 आज कल अन्य कई खेलों के राष्ट्रीय और अंतरराष्ट्रीय प्रसारण की व्यापकता और इससे जुड़े वित्तीय पक्ष एक चमत्कार से कम नहीं और मनुष्य को रोजगार देने में भी सहायक है। ।

## योग और चिकित्सा के क्षेत्र में रोजगार-

अनेक अंतरराष्ट्रीय और राष्ट्रीय हस्तियों ने इसे अपने रोजगार का साधन बनाकर प्रसिद्धी प्राप्त की और धनार्जित भी किया और योग अभ्यास संबंधी वीडियो बना जीवन शैली का अंग बनाया। बाबा रामदेव के विश्व व्यापी शिविरोऔर अभ्यास के वीडियो ने इसे सुलभ, व्याप्त और लोकप्रिय बनाया और रोजगार का साधन भी बनाया। इससे हमारा स्वास्थ्य भी सही रहता है और रोजगार भी मिलता है। इसमें युवक- युवतियाँ ही नहीं ,सेवानिवृत्त व्यक्ति भी अपना रोजगार बना कर इसे चला रहे हैं।

## हिंदी राजभाषा अधिकारी -

केंद्रीय संस्थानों और कार्यालयों में राजभाषा अधिकारी की नियुक्ति की जाती है, जो अपने यहां पर हिंदी के प्रयोग को हर तरह से बढ़ावा देते हैं और हिंदी में कामकाज को सुगम बनाते हैं | यदि आप हिंदी विषय में स्नातक हो और एक विषय के रूप में अंग्रेजी विषय भी पढा है, तो राजभाषा अधिकारी के रूप में कैरियर बनाया जा सकता है | सभी सरकारी अधिकारियों के दफ्तर में अंग्रेजी के साथ-साथ हिंदी का उपयोग अनिवार्य बनाया गया

## टाइपिंग के क्षेत्र में रोजगार-

आज अंग्रेजी की अपेक्षा हिंदी में भी कंप्यूटर में टाइपिंग के रोजगार की कमी नहीं है, क्योंकि हिंदी की मांग दिनों दिन बढ़ती जा रही है। विद्यार्थी कंप्यूटर के सामान्य ज्ञान और अभ्यास द्वारा हिंदी टाइपिंग सिखकर स्वयं का छोटा सा संस्थान खोल सकते हैं। इसके अतिरिक्त पीएच.डी, एम.फिल की थीसिस टाइप करना या प्रोजेक्ट को टाइप करना या अन्य किसी सूचना को टाइप करके भी विद्यार्थी अपना छोटा-मोटा रोजगार कर सकते हैं।

## रेडियो जॉकी के क्षेत्र में रोजगार

आज हिंदी में रेडियो जॉकी के क्षेत्र में रोजगारों की संभावनाएं बहुत अच्छी है | क्योंकि रेडियो में ज्यादातर सरल हिंदी में ही प्रस्तुतीकरण होता है | विद्यार्थी अपनी सहजवाणी, माधुर्य भाषा प्रवाहमयता ,बातचीत और आकर्षक अंदाज के साथ इसमें काम कर सकता है और रोजगार पा सकता है।

## संगीत संबंधी रोजगार –

आजकल हमारे देश के युवाओं में हिंदी भाषा के माध्यम से म्यूजिक बैंड बनाने और परफॉर्म करने का ट्रेंड बहुत जोर पकड़ रहा है। स्कूल कॉलेज और छोटे स्तरों पर इस प्रकार के सैकड़ों हजारों पेंट्स आज अस्तित्व में आ गये जो मनुष्य को रोजी-रोटी देते हैं और बहुत सारे लोग ऐसे हैं जो कम पढ़े लिखे हैं, लेकिन संगीत जानते हैं और इसके सहारे अपने परिवार चलाते हैं। संगीत का दायरा आजकल सीमित नहीं है |

## हस्तलिपि में रोजगार (ग्राफोलॉजी) -

यह एक ऐसा प्रोफेशन है जिसमें हैंडराइटिंग के माध्यम से किसी भी व्यक्ति के बुनियादी चरित्र को सामने लाना होता है | यह प्रोफेशन लोगों की भविष्यवाणी तो नहीं करता और न हीं बीते हुए समय के बारे में जानकारी देता है | इस कला का उपयोग केवल स्वयं को समझने, सुधारने और लोगों की सोच, व्यवहार को जाने एवं व्यक्तित्व की रूपरेखा को समझने के लिए किया जाता है |

## काउंसलिंग संबंधी रोजगार-

इस विधा के माध्यम से उपयुक्त राय देने और व्यक्ति को उसमें निहित गुण - दोष से परिचित कराने का प्रयत्न किया जाता है | ऐसे एक्सपर्ट को जांच दल का हिस्सा माना जाता है अधिकांश विभागों में ऐसे पदों का सर्जन किया गया है हैंडराइटिंग किसी भी व्यक्ति को जानने का एक माध्यम हो सकती है

## विदेशी कार्यक्रम में रोजगार के अवसर -

आजकल टीवी के माध्यम से बहुत सारे ऐसे चैनल दिखाए जा रहे हैं, जो हिंदी से अंग्रेजी में और अंग्रेजी से हिंदी में दिखाए जाते हैं। जैसे डिस्कवरी चैनल, नेशनल जियोग्राफी चैनल, एनिमल प्लेनेट, हिस्ट्री चैनल और फॉक्स ट्रेवलर ही नहीं कई विदेशी चैनल पर फिल्मी कार्टून सीरियल हिंदी में अनु सृजन के कारण अब लोकप्रिय क्षेत्र बन चुके हैं

## हिंदी वेब पत्रकारिता में रोजगार-

हिंदी पत्रकारिता ने हिंदी के कारोबार को अच्छा खासा बढ़ावा दिया है | दिल्ली के कुछ कॉलेज में ये विषय लोकप्रिय भी है | आने वाले समय में हिंदी को वैश्विक भाषा बनाने की दिशा में और काम करने की जरूरत है। इससे लोगों को हिंदी से संबंधित तरह-तरह के रोजगार के नए अवसर उपलब्ध हो रहे हैं |

## दूरदर्शन में रोजगार के अवसर -

वर्तमान में दूरदर्शन 28 क्षेत्रीय चैनल सहित 36 टीवी चैनलों का संचालन करता है और आकाशवाणी 500 से अधिक प्रसारण केंद्रों का संचालन करता है | यह योजना देश में एयर एफएम ट्रांसमिटर्स के कवरेज को भौगोलिक क्षेत्र के अनुसार 59% से बढ़कर 66% और आबादी के हिसाब से 68% बढ़कर 80% कर देगी |

## कंप्यूटर के क्षेत्र में रोजगार -

आज का युग कंप्यूटर का युग है। हिंदी के विद्यार्थी इस क्षेत्र में भी अपना करियर बना सकते हैं | वर्तमान में प्रिंट मीडिया, इलेक्ट्रॉनिक मीडिया, इंटरनेट आदि में राष्ट्रीय और अंतरराष्ट्रीय मंच और संस्थाओं में हिंदी के इस्तेमाल में व्यापक वृद्धि हुई है। फेसबुक, ट्विटर, यूट्यूब, व्हाट्सएप जैसे प्लेटफॉर्म पर हिंदी का प्रभाव बढ़ता जा रहा। गूगल और माइक्रोसॉफ्ट जैसी दिग्गज कंपनी ने भी हिंदी में बहुत बड़े पैमाने पर काम करना शुरू कर दिया है

**ऑडियो- वीडियो विजुअल में प्रयोग-** आजकल हिंदी में अनेक विविध प्रकार की कहानियां, चुटकुले, कविताएं पूछो तो जानें, समाचार, संगीत सुनने और दिखाने वाले ऑडियो विजुअल एप भी बाजार में आ चुके हैं | ऑडियो विजुअल एप हिंदी के अलावा क्षेत्रीय भाषा में भी सामग्री उपलब्ध करा रहे हैं। यह ऐप यूजर को खुद कंटेंट देने और पैसा कमाने का मौका भी देती है।

अतः हम दावे के साथ कह सकते हैं कि हिंदी भाषा आज केवल पढ़ने, लिखने और बोलने तक की सीमित भाषा नहीं रही, आज इसका वैश्वीकरण हो चुका है | पूरे विश्व में यह भाषा अपने पैर पसार चुकी है और निरंतर अपने कदम आगे बढ़ाती हुई रोजगार का साधन बन चुकी है | |
