CIRCULAR

Subject: Invitation to Participate in “*Art from E-Waste*” Event

The Green Initiative Committee is organizing an event titled “**Art from E-Waste**” as part of our efforts to promote sustainability, creativity, and awareness about electronic waste management. The aim of the event is to encourage students to use discarded electronic items to create innovative and artistic models, thereby giving waste a new life while spreading awareness about responsible e-waste management.

Event Details:

Date: 16/09/2025

Time: 11:30 am

Venue: LH 10 & EVS Lab

Participation Guidelines:

1. All students from different streams are welcome to participate.
2. Participants must create artworks/models using only electronic waste materials (discarded wires, circuits, chips, CDs, etc.).
3. Group participation is allowed (maximum of 5 members per team).
4. Materials should be safe to handle and non-hazardous.
5. The most creative and impactful entries will be awarded.
