Grievance Redressal process:

About the portal:

Surana College envisages to provide a safe and congenial environment for Teaching-Learning and to facilitate it; any breach in disciplinary acts is taken very seriously. It is our collective responsibility to report all threatening statements and actions immediately. We assure that any intimation or actions reported to us would be kept confidential and appropriate measures would be taken immediately to mitigate it. We request all the students to cooperate and abide by the rules and regulations as it is our fundamental responsibility to each other as well as to the society. Zero-Tolerance Policy is enforced to foster an environment which is conducive to learning and is safe for every student. If you experience peril or know of any instance implicating threats or violence, you may report it immediately to the College authorities (any Faculty member or directly to the Principal) and prompt investigation and action will be taken by The Threat Assessment Team.

To report any violations contact us on 080-23370057 or write to us on grcell@suranacollegepeenya.edu.in

Responsibilities of Grievance Committee:

- Grievance Committee members must be able to resolve the grievance with utmost sincere efforts.
- Grievance must be solved by considering all the facts and by following proper protocol.
- Grievance must be solved with transparency. Attention to be given even to minute details.
- Student Satisfaction should be the ultimate motive.
- Student must be given feedback and solution to the grievance as expressed by the student.

xx. Teaching Learning Process:

The institution ensures effective curriculum delivery through a well-structured and documented approach. The academic calendar is meticulously planned, outlining teaching schedules, assessments, and extracurricular activities. Faculty members prepare detailed course plans and lesson notes aligned with the syllabus, ensuring clarity in learning outcomes. Regular orientation programs and workshops equip teachers with innovative pedagogical tools, promoting student-centered learning. The use of Learning Management Systems (LMS) aids in seamless delivery, enabling resource sharing, online lectures, and continuous evaluation. Classrooms are equipped with ICT tools to enhance interactive teaching. The institution emphasizes continuous internal assessments, supported by assignments, quizzes, and group projects to monitor student progress. Faculty members engage in peer reviews and feedback mechanisms to ensure consistency and improvement in teaching quality. Bridge courses and remedial classes are conducted to support slow learners, while advanced learners are encouraged with challenging assignments and projects. Regular audits, both internal and external, ensure adherence to curriculum plans. The institution maintains close coordination with stakeholders, conducting regular meetings with students, faculty, and industry experts to align teaching practices with evolving academic and professional demands.
