Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>The Vocational Training Committee offered SWAYAM-NPTEL (National Programme on Technology Enhanced Learning) online certification courses to the 1st and 2nd year undergraduate students of the 2021-'22 batch with the intention of enhancing skills of students with an inter-disciplinary approach to the same. The NPTEL courses and MOOCs (Massive Open Online Courses) are developed by the Indian institute of Science and The Indian Institutes of Technology. The students could choose courses across various fields like psychology, finance, artificial intelligence, data sciences, digital marketing, humanities, mathematics, health sciences, foreign languages like German, etc. The course duration ranged between 8-15 weeks. Students were instructed to download the SWAYAM/NPTEL app on their phones and register for a course. Every week, three classes were scheduled in the timetable to enable the students to attend these classes online. The students were instructed to attend these classes and undertake routine online assessments on time. After these assessments, students were awarded with badges and medals on the app based on their performance. Faculty co-ordinators were assigned to monitor the students' progress and mark attendance of the students during the NPTEL hour of the day. At the end of the course duration and successful completion of routine assessments, they were to undertake an exam. Students attended these courses but could not appear for the NPTEL exams as they coincided with their end-semester exams.</p> <p>Other than the aforementioned, the online classes were conducted through MS teams where the execution of delineated timetable, notes, assignments and assessments were carried out. Through varied ICT tools classes were made more interactive and through the usage of ppts, case studies, class breakups, quiz, YouTube videos modes facilitated the interactive methods of learning through online mode. Multiple digital workshops as well as online conferences were conducted for varied streams such as management, sciences, research, finance, account, aviation etcetera to help students understand the importance of journey from campus to corporate. Multiple sessions with the industry experts were conducted online on different platforms such as zoom Google classrooms MS Teams.</p> <p>These online classes were conducted across the varied stream and have aided the purpose to enrich the teaching - learning methodologies while facilitating the integration of innovative ways of critical teaching methods in the curriculum.</p>
